PIK MY CAR

Airport Transfer. Made Easy
Your Top FAQs Answered!
Part 02

Is there a limit to the amount of luggage I can bring?
We have no limit on the amount of luggage and car boots. Our vehicles are selected based on the number of passengers and amount of luggage.

Is the cost of the airport transfer inclusive of tolls and parking fees?
Yes, tolls and parking fees are already included in the price.

How far in advance do I need to book an airport transfer?
Please book your airport transfer at least 1 hour in advance.

What if I need to cancel my airport transfer reservation?
To cancel your airport transfer, just let us know via our hotline or WhatsApp at least 5 hours before your scheduled pick-up time.

What is the waiting period for departure and arrivals?
We offer a complimentary waiting time of 15 minutes for departure and 45 minutes for arrival. After that, a charge of 50AED for every 30 minutes will be applied.

To book your appointment
Call hotline: 600 576200

TYPES OF CAR INSURANCE

There are two types of Car Insurance policies - Comprehensive Car Insurance and Third-Party Insurance

Comprehensive Car Insurance
This will cover your car from damage caused by fire or theft, and will also cover you in the event of a total loss. It also covers the cost of repairs and replacement parts. It also covers the cost of legal expenses and personal belongings cover.

Third-Party Insurance
This type of policy covers the damage caused to another party's property. This is the most basic and minimum level of cover required to get the UAE license. The policy is usually standard, but can be enhanced with additional cover options.

ADDITIONAL COVER OPTIONS WITH YOUR CAR INSURANCE

Many insurance companies allow you to choose from a range of additional features or add-ons, which eventually determine the final premium for your policy. We've gathered an extensive list of these policy add-ons.

Agency repair Cover the cost of repairs at a network of approved repairers.	Personal accident cover for driver & passengers Provides financial compensation if you are injured or killed while driving or as a passenger.	Emergency medical expense Cover the cost of medical expenses incurred by you or your passengers.	Off-road cover Cover the cost of damage to the vehicle when being driven off-road.
Roadside assistance Cover the cost of towing, breakdown, and other services when you are stuck on the road.	Personal belongings cover Cover the cost of theft or damage to personal items stored in the car.	GOC cover Provide additional coverage for the vehicle when it is being driven in the GCC.	Oman extension Extend the cover of your policy to include driving in Oman.
New car replacement Cover the cost of a new car if your current car is damaged beyond repair.	Natural calamities cover Cover the cost of damage to the vehicle caused by natural disasters.	Fire & theft cover Cover the cost of damage to the vehicle caused by fire or theft.	Dent repair Cover the cost of repairs to the bodywork of the vehicle.
Windscreen cover Cover the cost of repairs to the windscreen of the vehicle.	Replacement of locks Cover the cost of replacing the locks on the vehicle.
